Dear Parents/Guardians,

Due to the current Covid-19 pandemic, our stores have been closed since March 16<sup>th</sup>, and we have now re-opened as of June 8<sup>th</sup>, in accordance with public health guidelines. As we re-open our doors our shops will look very different. It will be a new working and shopping environment for everyone. For back-to-school 2020/21, uniforms will be available to purchase online and also in-store. **For the health and safety of our customers and staff, we would ask, where possible, that uniforms would be purchased online.**

### ONLINE SHOP: [www.ofarrellschoolwear.com](http://www.ofarrellschoolwear.com)

Our online store is fully operational and open year round. Orders are usually processed and dispatched within 2-5 working day, with free delivery on orders over €50.00. We fully understand that an incorrect size may be ordered. Don't worry. If this happens please email us at [info@ofarrellschoolwear.com](mailto:info@ofarrellschoolwear.com) with your preferred sizes and we will reserve these for you. We have an extended returns policy due to Covid-19

### IN-STORE

To maintain social distancing, we will be implementing the following measures:

- A fitting service for 1<sup>st</sup> year students will be available **by appointment from June 10<sup>th</sup> until Saturday July 4<sup>th</sup>**. **Please contact the shop to make an appointment.** As the numbers of customers permitted in the store, at any one time, will be limited, we would appreciate it if, wherever possible, the allocated appointment was attended only by the student and one parent/guardian.
- Each appointment will be for 20 minutes
- Social distancing within the store and while queuing outside
- Limiting the number of customers in-store (this will unfortunately result in longer queuing times)
- Our opening hours may vary to facilitate deep cleaning
- Request each customer to use the available hand sanitizer upon entry.
- Staff will be wearing a face shield/face covering
- Each customer will have a staff member allocated to them for the duration of their visit in order to assist them, in the most efficient manner possible
- If you prefer to shop alone, please bring a list of your child's measurements and a trained staff member will advise on size selection. We have attached a measuring guide which may be of assistance.

One of the many effects of the Covid-19 pandemic has been the suspension of manufacturing. We are working hard with our suppliers to manage the situation – unfortunately some uniform items may be delayed and not available until later in the summer.

Thank you for your cooperation and patience with these new measures during the Covid-19 pandemic

Stay safe,

The O'Farrell Schoolwear Team
